

Name William Foster	Age 13
Education/Work No schooling, his father as a carpenter apprentice.	
Description William helps his father and is beginning to learn his trade. It will take many years before he will become a skilled carpenter like his father. There is plenty of work for carpenters although there is a lot of competition for the work. They keep pigs and brew their own beer.	
Where do you live? On Stowe Street in the city of Lichfield near to the Cathedral. The family do not own the house, it is rented from a landlord, Mr Collins.
